Verse 1

Am G C C
There is love and there is hate
F C Am G
And I've heard silence before a hurricane
Am G C C
Some days I feel I'm treading water going no where fast
F C Am G
Drowning in memories of my past
Am G C C
I might never really know
F C Am G
Just how deep it is you go
Am G C C
But I know there's more
F C Am G F
'cause your like staring at an ocean but I'm standing by the shore line

Chorus 1

F C G Am
If you look past, what your eyes can see

Set aside your judgment, cause there's only
F C G Am
So many moments, before we have to leave

And I don't want to go until I know, what lies beneath

Verse 2

Am G C C
This world is changing faster than I can keep up

But I promise you I'll never leave you behind

Out in the distance where the water meets the sky

That's where I'll meet you at midnight

Far under the waves
Am G F
I'll show you it's not too late
