Verse 1

Em D G G
There is love and there is hate
C G Em D
And I've heard silence before a hurricane
Em D G D
Some days I feel I'm treading water going no where fast
C G Em D
Drowning in memories of my past
Em D G G
I might never really know
C G Em D
Just how deep it is you go
Em D G G
But I know there's more
C G Em D C
'cause your like staring at an ocean but I'm standing by the shore line

Chorus 1

C G D Em
If you look past, what your eyes can see
C G D Em
Set aside your judgment, cause there's only
C G D Em
So many moments, before we have to leave
Am G Em D C G Em D
And I don't want to go until I know, what lies beneath

Verse 2

Em D G G
This world is changing faster than I can keep up
C G Em D
But I promise you I'll never leave you behind
Em D G G
Out in the distance where the water meets the sky
C G Em D
That's where I'll meet you at midnight

Em D C
Far under the waves
Em D C
I'll show you it's not too late

C G D Em
If you look past, what your eyes can see
